DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

Non-Responsive Amendment (Bonafide)

The reply dated 6/10/05 is not fully responsive to the prior Office action because of the following omission(s) or matter(s):

Applicants did not indicate which of the newly added claims (e.g., see most recent 4/4/05 set of claims wherein claims 50-54 were added). The 6/16/04 restriction requirement states, "If claims are added after the election [i.e., claims 50-54], applicant must indicate which claims are readable upon the elected species" in accordance with MPEP § 809.02(a) (e.g., see 6/16/04 Restriction requirement, paragraphs 11-12). Please also note that claims 30-49 also lack the proper status identifier as these claims were added in the 10/23/03 Response and thus are not "new" claims (i.e., compare to claim 29, which was also added in the 10/23/03 Response, but is currently labeled "previously presented").

The examiner also notes that the appropriate fees must be paid to extend the time period for response.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE(1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner Jon D. Epperson, Ph. D., Art Unit 1639, whose telephone number is (571) 272-0808.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (571) 272-1600.
